

NO

NEVER wash soap
or dirty water
down the
storm drain!

WASHING THE FLEET?

NOTHING BUT RAIN DOWN THE STORM DRAIN

**STORMWATER RUNOFF
IS NOT TREATED**
and is the leading source
of water pollution in our
community. Runoff flows
directly from the storm drain
into local creeks and rivers.

Many business activities can
contribute to stormwater
pollution. **YOU**
can help keep
pollutants out of
our creeks and
rivers and reduce
the hazards to
people and fish!

YES

Wash vehicles in a
facility where all water
goes into the sanitary
sewer system.

**Remember - Nothing But
Rain Down The
Storm Drain.**

To report
a spill, call
425-XXX-XXXX.
