

Arbor/Earth Day 2020 SCAVENGER HUNT

REMEMBER: Stay with your family members, and away from other people to help keep everyone healthy

1. Find a flowering tree or shrub. Take 1 petal
2. Find a leaf from last fall.
3. Find a tree with white, smooth bark. What kind is it? _____
4. Find a seed that has come from a tree.
5. Find a twig on the ground that has come from a tree.
6. Find a cherry tree, and draw the bark pattern in the box below.
7. Draw a deciduous tree below (ask your parents what this means, if you don't know)
8. List 10 living things that use trees as a home:

- | | |
|----------|-----------|
| 1. _____ | 6. _____ |
| 2. _____ | 7. _____ |
| 3. _____ | 8. _____ |
| 4. _____ | 9. _____ |
| 5. _____ | 10. _____ |

 Gather these items and answers, then come and check the answers with your parents!
