Final 2025

A Special Message from Mayor Ross

Dear Residents,

As my time as your Mayor draws to a close, I want to express my sincere gratitude for the privilege of serving this extraordinary community. Serving Snoqualmie over the past nine years, on City Council and then as Mayor, I've had the honor of working alongside you, our dedicated city staff and councilmembers to help shape the future of Snoqualmie. These have been some of the most meaningful and rewarding years of my professional life, and I'm deeply thankful for the trust you placed in me.

Together, we've made great strides. From repaving Snoqualmie Parkway and opening inclusive playgrounds, to advocating for a safer SR 18/I-90 corridor and launching the River Trail construction, we've built momentum that will carry forward. We completed the design for the Community Center Expansion, opened a new splash pad, welcomed a new fire engine, and implemented modern financial systems to improve transparency and efficiency. Through strategic planning, regular community surveys, and the reboot of the City Academy, we've strengthened civic engagement and deepened our partnership with our residents and businesses. Throughout it all, I've prioritized open communication and transparency, values I believe are essential to building trust and fostering a strong, connected community. Your voice has helped guide our decisions and ensure that city government remains responsive and accountable.

None of this progress would have been possible without your engagement, ideas, and passion for our city. I've been continually inspired by the strength, spirit, and resilience of Snoqualmie's residents and businesses. You are what makes this city so special.

While my term is ending, my commitment to Snoqualmie's future success remains unwavering. I look forward to watching our community continue to prosper in the years ahead.

With gratitude,
Mayor Katherine Ross
